How To Enroll New Users

Please read the following directions when logging into our new Online Banking platform for the first time as a new user.

1. From the login box, click on **Register with Online Banking.**

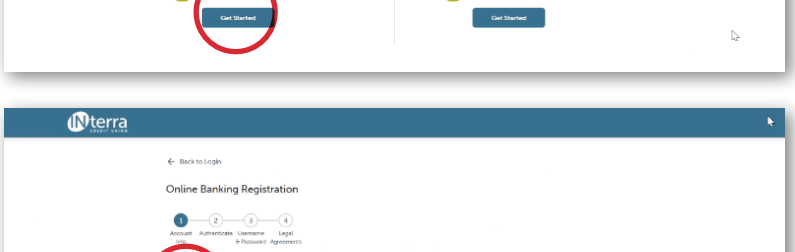

2. Click **Get Started** under Register as an Individual.

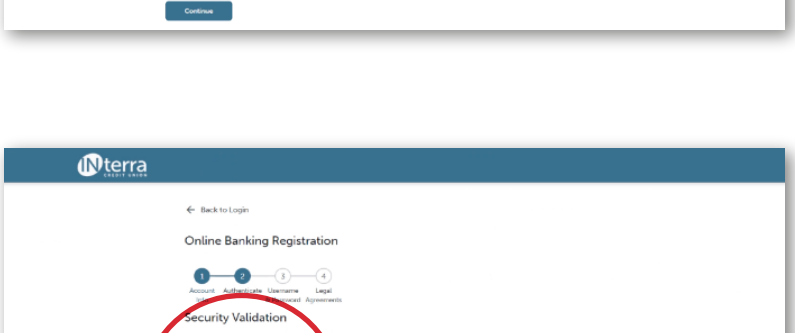

3. Fill in the following personal information fields.
   - First Name
   - Last Name
   - Social Security Number
   - Date of Birth
   - Account Number
   - Zip Code

   Click **Continue.**

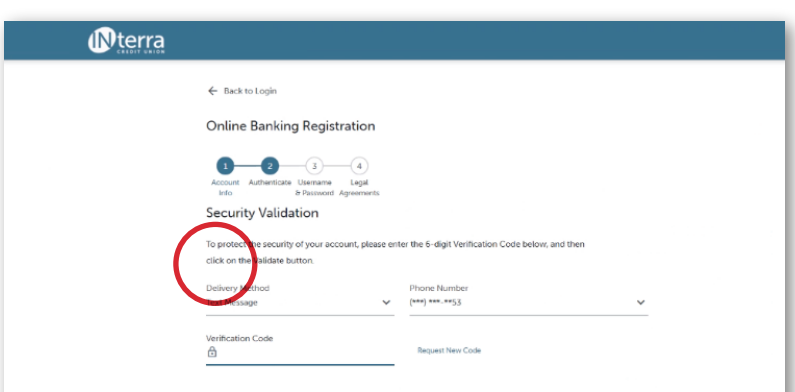

4. Select a **verification code delivery method** from the dropdown and click **Request Code.**

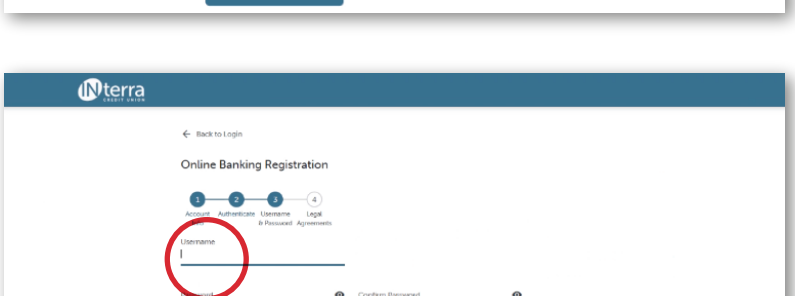

INterra CREDIT UNION

5 Enter the **Verification Code** field upon receiving it, and click **Next.**

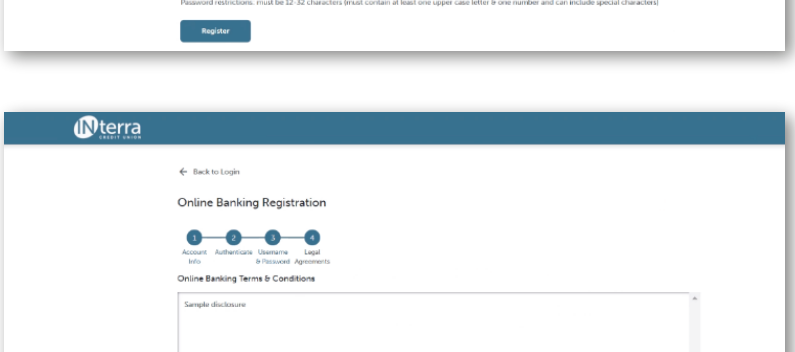

6 **Create a New Password** and click **Set Password.**

Tip: Your password must be 12-32 characters long, contain at least one uppercase letter and one number, and can include special characters (!, &, %, etc.)

7 Read and accept the *Online Banking Terms & Conditions*, and click **Submit.**

7 Your Online Banking dashboard will appear.
