How To Personalize Your Dashboard

Your dashboard is the main screen you land on when you log in. From it, you can navigate anywhere in Online Banking. You can customize what you see on your dashboard to personalize your experience. Follow these steps to learn how to turn tiles on/off, reorder accounts and hide accounts.

How To Turn Tiles On/Off

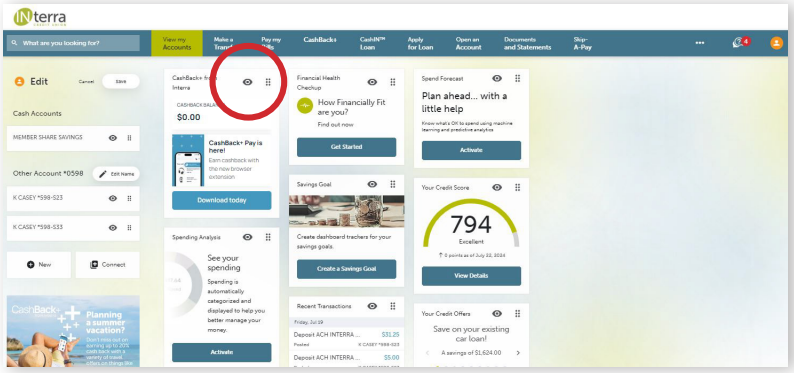

1. Log in to Online Banking. On the upper left-hand side of the screen, next to Dashboard, click the **pen icon.**

   Result: Dashboard Tiles become editable.

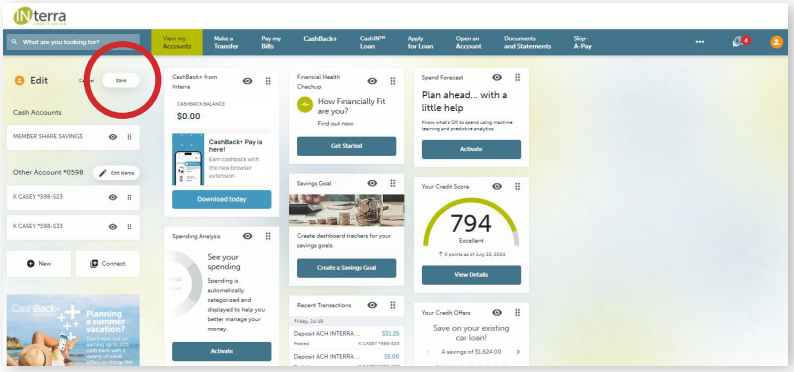

2. Click the **eye icon** to select or deselect the tiles you would like to show.

   • A strike-through means it will no longer appear.

3. On the upper left-hand side of the screen, click **Save.**
