# How To Set Up a Savings Goal

Creating a savings goal lets you visualize your progress when saving for a vacation, a new car, or another goal. Follow these steps to learn how to set one up.

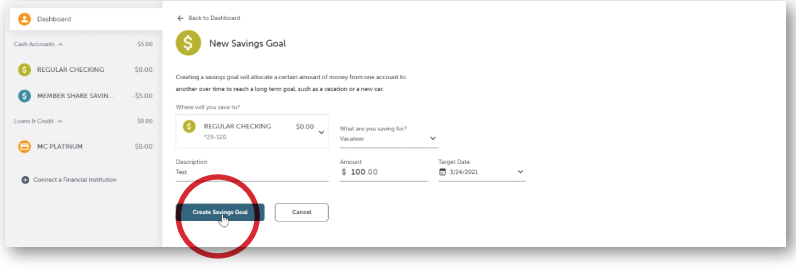

1. Log in to Online Banking. The **Set up a Savings Goal Tile** will be located on your main dashboard. Click **Create a Savings Goal.**

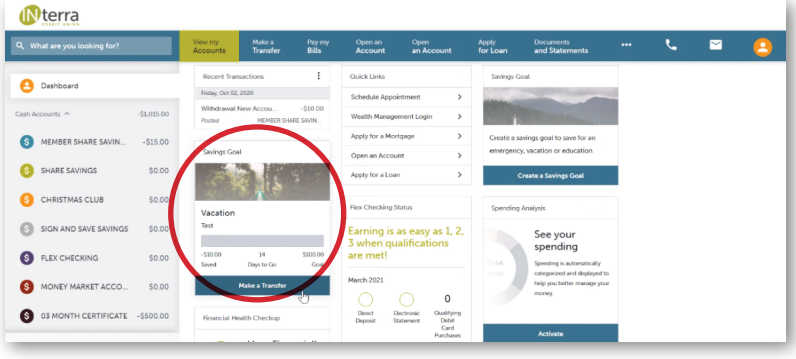

2. From the dropdown, select the **Savings Account** to save to and select w**hat you are saving for** from the dropdown. Enter a **description,** goal **amount** and **target date.**

3. Click **Create Savings Goal.**

4. Your **savings goal** will now appear on your dashboard.
